

Vacancy

Internship

About Asia is looking for an internationally oriented intern to join us in Chengdu. Have a look below and check if this could be you.

Details

Company	About Asia
Industry	International business, creative industry
Position	Internship
Location	Chengdu, China
Office	Europe Center, Gaoxin District
Commitment	Full time (40 hours per week)
Period	Continuously
Duration	5-6 months
Compensation	2,000 RMB per month
Int. add.:	Accommodation, visa, 50% flight

Job

As intern you have a dynamic role within our team. Your main responsibility is to support the development of About Asia brands and projects. Additionally, you'll get insights into (and support various other) international exchange projects between the Netherlands and China. You join meetings, execute research, support events and develop content for our media channels. You'll be in touch with creative industry companies, various government departments, venue partners, corporates and educational institutes. Sichuan's capital, Chengdu, will be your (new) city of residence. Occasionally, you support activities in other cities in China as well. All will be under Dutch management, with English speaking Chinese colleagues around you.

Personality

- Social
- Creative
- Punctual
- Pro-active approach
- Positive energy

Procedure

We really like you to be you. Please don't take the hassle to send us a standard cover letter, but send us a more personal message instead. If we think you suit the job, we'll jump on a call take it from there. Afterwards we'll have a coffee to get familiar with each other, and we'll conclude whether there is green light.

Company

About Asia promotes business and cultural exchange between China and the Netherlands. We initiate, manage and execute projects with a new generation of global organisations. We work as consultant, project manager and event organiser for a wide range of companies and governments, with a clear focus on creative industries. About Asia is license holder and developer of several international entertainment brands/IPs. Additionally, About Asia is partner in public private partnership Creative Holland.

Qualifications

- Studying bachelor or master (or recently graduated)
- Fluent in English

Preferences

- Basic Chinese language skills
- Dutch native speakers
- Social media skills
- Graphic design skills
- Copywriting skills
